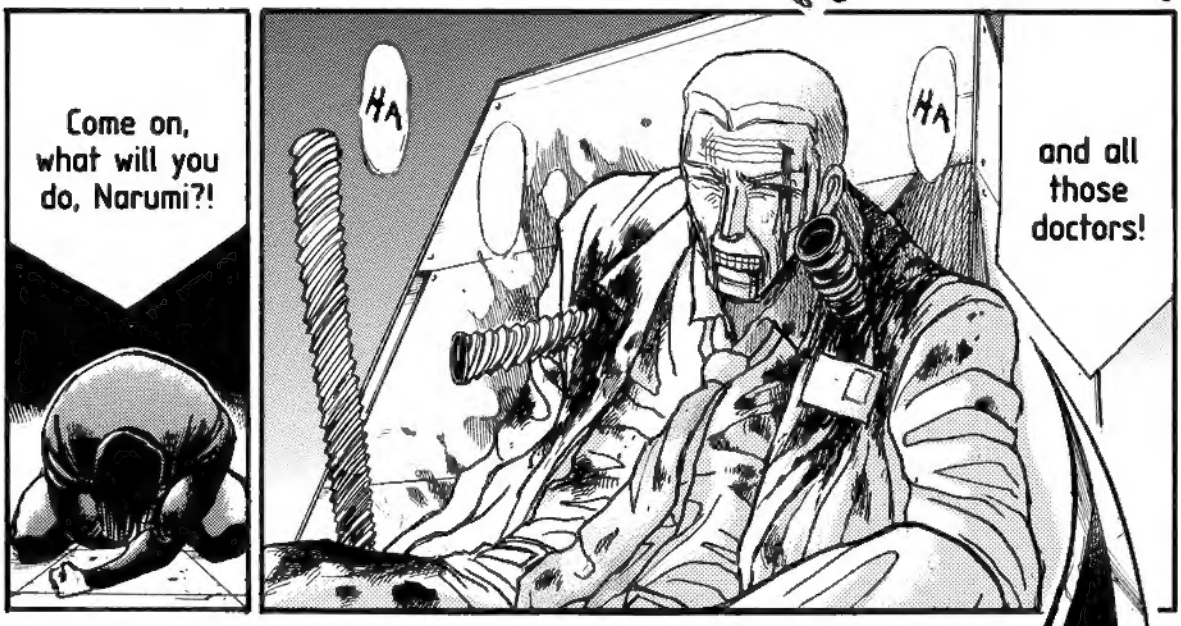
That young lady.



Come on, what will you do, Narumi?!

Ohh...

I see... So you want to stop my trapeze.

But I've got enough to spare.

This is your "Limit Situation," Narumi!
Hahahah, where are you aiming?! I'm over here.

It refers to an inevitable and agonizing situation involving dread and conflict that cannot be solved by one's own power or science.

This situation, as described in the book I read written by a human named Jaspers, is exactly where you are now!

And it gets complicated when it comes to what a human should do in a limit situation.

Just like how you are now!!

And it's the moment a human realizes he has no such thing as an infinite power within them.

It seems that associating with other humans who currently share the same type of limit situation opens up a path to discovering a more authentic lifestyle...
But, anyhow...

I don't think that will help you in this situation...

After all, the crucial companions you're associated with are lying on the floor. Hahahah!!

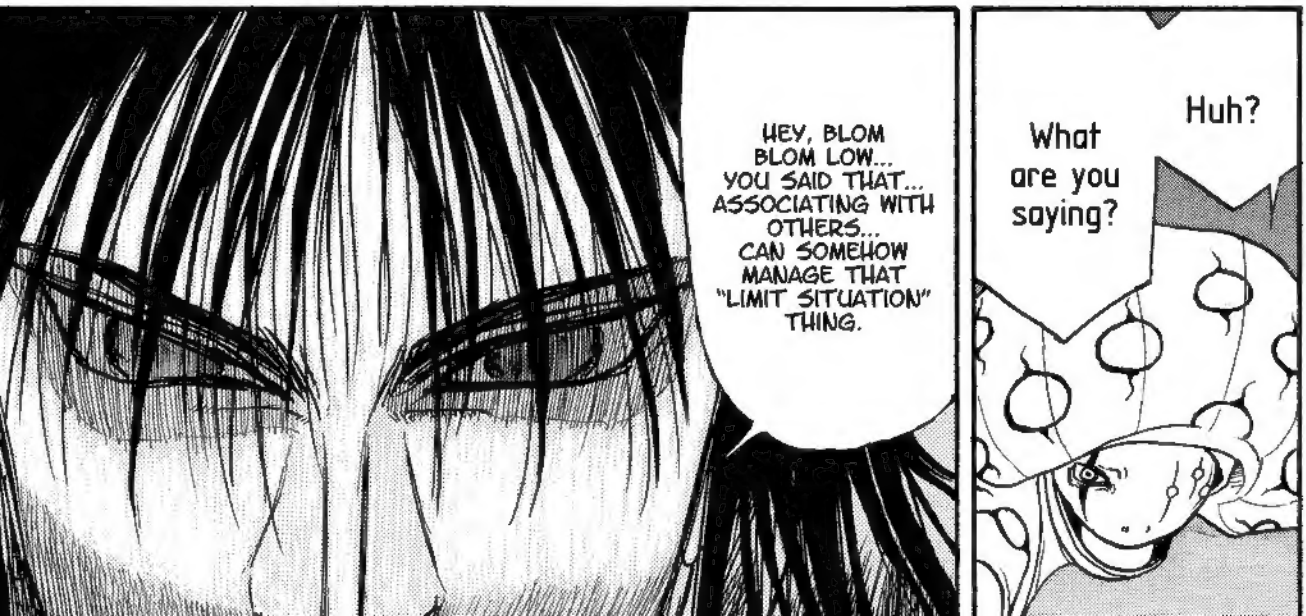
I TOLD YOU THIS DOESN'T WORK!

Pray to your God!!
Well then, I should put an end to this pretty soon...
...WANTS TO DO THINGS DIFFERENTLY ...
BUT MY BODY...
I ALWAYS THOUGHT... I WAS GONNA FIGHT WITH MY REAL ARMS FOREVER...
...I SEE...
HABITS ARE A SCARY THING...



HEY, BLOM BLOM LOW... YOU SAID THAT... ASSOCIATING WITH OTHERS... CAN SOMEHOW MANAGE THAT "LIMIT SITUATION" THING.
Huh?
What are you saying?

I'VE LONG SURPASSED THE LIMIT.
IN THAT CASE...

BLOM...
I MAY NOT HAVE A GOD TO PRAY TO..
BUT I DO HAVE AN ALTAR TO PUT YOU ON!!

Very interesting. Then, let me tell you what you can write on that altar with your blood...

"I CANNOT SURPASS THE LIMIT SITUATION. BECAUSE I AM HUMAN!"
